

FIRST YEAR INFORMATION BROCHURE 2024

TKM COLLEGE OF ENGINEERING, KOLLAM
A Government Aided & Autonomous Institution
Affiliated to APJ Abdul Kalam Technological University

To Inspire Thought
To Impart Knowledge
To Impact Mindset

Vision

- Excellence in education and research with socio-economic and environmental outlook

Mission

- To offer the state-of-the-art Undergraduate, Postgraduate and Doctoral programmes
- To enhance knowledge by engaging in cutting edge research and by undertaking collaborative projects with industry
- To instill ethical, social and environmental perspectives in designing systems for sustainable development
- To nurture creativity, self learning and interpersonal skills

NBA accredited

NAAC 'A' grade

**First Autonomous college among the Govt/ Govt. Aided
Engineering Colleges in the state**

Our Founder

History has produced many a great man who rose legendarily from trial to triumph by virtue of their sustained unrelenting work. The life of Janab Thangal Kunju Musaliar, the founder of TKM College trust, belongs to this fraternity. Janab Thangal Kunju Musaliar carved a niche for himself in the annals of Kerala's socio-economic life in the 20th century. He was a philanthropist, business magnate, industrialist, educationist, writer and publisher, nationalist, social reformer and above all, an ideal human being worthy to be emulated. Janab Musaliar was among the earliest to respond to Pandit Jawaharlal Nehru's clarion call to building up a modern India. Identifying that education is the best foundation in the process of nation building; he made a great contribution to the process through the foundation of 'TKM College Trust'. His extraordinary vision saw the birth of TKM College of Engineering in 1956.

Janab A. Thangal Kunju Musaliar
(1897 - 1966)

The College

The pioneers in engineering education

TKM College of Engineering, the oldest engineering college in private sector in the state of Kerala, was established in 1958 by Janab Thangal Kunju Musaliar, a reformer, philanthropist and businessman under the aegis of the TKM College Trust, in Kollam district of Kerala. The institution has been a torchbearer for social and technological transformation- since its inception and has touched the lives of countless individuals from around the nation, both directly and indirectly. Over a period of six decades, the college produced thousands of brilliant engineers, many of whom are stalwarts in their fields across the globe.

Having started with a humble beginning of 120 students in three basic streams of engineering, the college today stands with the highest intake of 900 plus students per year in eight UG programs and about 200 students in 12 PG programs. All the departments are approved research centres of APJ Abdul Kalam Technological University and about 100 scholars pursue their doctoral studies in these departments. In addition, the college received approval for one UG and one PG programme under aided scheme from academic year 2022-23 onwards. The college has received funding from TEQIP-II and is the only engineering college which became eligible for RUSA funding.

The institution today has become a temple of learning and is equated with excellence- in technical education having five accredited UG programs and two PG programs by National Board of Accreditation (NBA). Also, the National Assessment and Accreditation Council (NAAC) has accredited the college with A grade. The Institution is governed by the Governing Body under TKM College Trust.

The 58th Governing Body meeting had decided to apply to UGC for autonomous status. TKM College of Engineering was conferred with autonomous status by the UGC on 26th May 2022, and the same was formally notified by APJ Abdul Kalam Technological University on 2nd September 2022.

INNOVATION AND ENTREPRENEURSHIP DEVELOPMENT CENTER (IEDC) INSTITUTION'S INNOVATION COUNCIL (IIC)

Dr. A. Sadiq

Nodal Officer - IEDC, President - IIC
Professor, Dept. of Mechanical Engg.
+91 94973 61282

The Innovation and Entrepreneurship Development Center of TKMCE is an organization that aims to promote the institutional vision of transforming youngster into technological entrepreneurs and innovative leaders and to establish a platform to pursue ideas and businesses at an early stage.

We at IEDC TKMCE host various workshops, speaker sessions, and competitions to develop skill sets and provide essential resources to take up entrepreneurship as a career.

Institution's Innovation Council (IIC) was established to systematically foster the culture of innovation and start-up ecosystem in education institutions.

Primarily, IICs' role is to engage large number of faculty, students and staff in various innovation and entrepreneurship related activities such as ideation, Problem solving, Proof of Concept development, Design Thinking etc.

College uses the web based Academic Management Software, Etlab, to accommodate all academic and administrative needs. This software integrates various academic activities like live delivery of lectures through online platforms, conducting online tests and quizzes, attendance management, teachers evaluation, etc. Students and parents can view the details of attendance, assessments, progress reports, performance analysis and so on in Etlab. Parents can monitor their wards' progress as well. It also supports administrative activities which include student admission, online fee payment, faculty and students profile management, grievance redressal and so on

Etlab AMS can be accessed using the URL "<https://tkmce.etlab.in>".

The mobile application of this AMS can be downloaded from Google Play Store as

"Etlab" (<https://play.google.com/store/apps/details?id=in.etuwa.app>).

Etlab student/parent app can be downloaded from the Apple App Store too.

STUDENTS AND PARENTS CAN GET LOGIN DETAILS IN SMS FORMAT TO THEIR REGISTERED MOBILE NUMBERS

List of the scholarships availed by the students in the previous year

1. Merit-cum- means scholarship for Professional and Technical courses CS
2. Central sector scheme of scholarships for college and university students (CSSS)
3. AICTE - Pragati scholarship scheme for girl students (Technical degree)
4. PG Indira Gandhi scholarship for single girl child
5. Post Matric scholarship schemes minorities CS
6. Post matric scholarship for students with disabilities
7. Arunachal Pradesh state stipend scheme
8. Umbrella scheme for education of ST children -Post Matric Scholarship (PMS) for ST students Arunachal Pradesh
9. AICTE- Prime Minister special scholarship scheme-PMSSS-JK

Visit to **National Scholarship Portal (scholarships.gov.in)** for getting details about the available scholarships under central schemes, UGC/AICTE Scheme, State schemes and its eligibility conditions.

10. State e-Grantz

- a. e-Grantz SC
- b. e-Grantz ST
- c. e-Grantz OEC
- d. e-Grantz OBC H
- e. Fisheries-Grantz
- f. e-Grantz OBC

The **e-Grantz** portal is a dedicated online portal run by the SC/ST/OBC Development Departments of the Government of Kerala. This portal (e-Grantz 3.0) centrally disburses scholarships and stipends to students within the state. The online portal allows the students belonging to reserved categories to apply for the scholarships available at the post-matriculation level.

11. Visit <http://dcescholarship.kerala.gov.in/> for various scholarship provided by Department of minority welfare, Government of Kerala.

12. MCM Scholarship (Instituted by faculty, staff, alumni and management)

This scholarship is established by the TKMCE faculty and staff. The scholarship aims to provide meritorious and needy students with appropriate financial assistance. The scholarship committee of the college selects students for this programme from the list of candidates provided by the respective advisory.
